While growing up I read multiple Roald Dahl books, with James and the Giant Peach landing at my all-time favorite, but didn't happen across Esio Trot until now. "Now" is well into adulthood. This 40-ish page book took about 30 minutes to read, including time to view the illustrations. The time was well spent.

Roald Dahl, one of the most imaginative children's writers ever has lost the plot here. He had an idea of a story and it feels like he couldn't figure how to get the story out of his head. Esio Trot is very brief, it shows you how to manipulate a daft woman and it ends very flat.
